A message from our Director of Missions:

It's hard to believe we are into August already and the starting of school is just around the corner One could say where did the summer go. I think it's just another reminder of how fleeting life us.

James 4:14 reminds us

How do you know what your life will be like tomorrow? Your life is like the morning fog— it's here a little while, then it's gone. NLT

So theoretically we should live each day as if it were our last one. Something to think about, remember we only go around once.

Who do you need to tell about Jesus?

We have been blessed with mission teams coming to do VBS and construction work. I have visited with Teams at First Baptist Steubenville, Riverview, Temple, Grace, and Lighthouse. I would urge you all to think about using a mission team next year.

I would like for our Association to do a mission trip in the area hit by flooding next summer to help with the rebuild. I know Indian Creek has went down a couple of times for mud out work and Phil Campbell who is the Pastor at New Beginnings Church currently meeting in Nineveh PA has gone down for one work day and they have another scheduled for the 20th of this month.

A huge thank you to all who have given money, flood buckets and your time to minister to those whose lives have been forever changed by this tragic incident.

Shortly we will be asking our churches to fill out the ACP report for this year. There is a financial reward for doing so as money from Lifeway is given to our state and our associations based on the number of churches reporting. Let's make it 100% this year for our Association.

Galatians 6:9-10

9 So let's not allow ourselves to get fatigued doing good. At the right time we will harvest a good crop if we don't give up, or quit.

10 Right now, therefore, every time we get the chance, let us work for the benefit of all, starting with the people closest to us in the community of faith. MSG

Stay Faithful

Ron
